### Message

I am immensely happy to know that the Episcopal baton has been passed on to Rev. Fr. Visuvasam Selvaraj to be my successor as the Bishop of Port Blair. I do not understand why the appointment had to take almost two and a half years. It surprises me, but I know that our God is a God of surprises!! Besides, it has often been said that the 'wheels of the Catholic Church grind but very slowly!!!' But, thank God, grind they do!! And so the diocese of Port Blair has, thanks to the Lord and Mother Mary, graduated from a Diocesan Administrator to a full-fledged bishop, with the appointment of Rev. Fr. Visuvasam Selvaraj, as the bishop. I had been waiting for the dawning of this day, and I am glad it has, with this much-awaited announcement by the Holy Father.

The second big reason of my happiness is that one of our own diocesan priests has become the new bishop of Port Blair. It certainly means that the local Church of Port Blair has come of age. It was way back in 1965 that the Society of Pilar had taken over the pastoral responsibility of the Mission of

Andaman and Nicobar Islands. The Society kept sending priests there to cater to the pastoral and other needs of the people of God on those remote islands. The lot had fallen upon me, too, and I was sent to the Andaman Islands, and I worked there from 1971 till 1976. After 20 years of the good, hard and praise-worthy work of the Pilar fathers in this distant and difficult mission territory, the Holy Father Pope John Paul II and the other concerned Authorities of the Universal Church, finally, deemed the Mission fit to be raised to the status, of a diocese. The new diocese was erected in 1984, and I was appointed the bishop, in spite of my unworthiness. I took over the reins of the diocese on the 20th of January, 1985.

In my short-sightedness and lack of experience, at that point of time, I had thought to myself that I would be able to train local clergy, resign my Office of Bishop, hand over the diocese to one of them, and walk out, in a matter of 10-15 years. I was convinced that this should be my mission as

Bishop and the mission of the Society of Pilar-training the local diocesan clergy, and handing over the diocese into their hands, as soon as we found them ready. This is still my conviction. And, hence the second big reason for my happiness, at the appointment of a local diocesan priest as the bishop. However, contrary to my thinking and expectations, this has taken 34 years, much longer than I had thought. But it has, finally, happened, and I rejoice.

My third reason for rejoicing on this occasion is that the lot has fallen on Rev. Fr. Visuvasam Selvaraj to be the bishop of Port Blair. In my humble opinion, he has good qualities of mind and heart and a good concern for the flock of Jesus. He has acquired a good pastoral as well as administrative experience, having worked along with me for quite some years. Wherever he was posted, he has given a good account of himself. The last responsibility entrusted to him was that he was unanimously elected to be Administrator of the diocese, by the diocesan

Consultors, according to the norms of Canon Law. And he went about taking care of the diocese in a praise-worthy manner.

I wish Rev. Fr. Selvaraj the very best of everything, and pray for abundant blessings upon him, of the Good Shepherd Jesus, who has chosen him to tend His flock in these remote islands. May Mother Mary, the Star of the Sea, the Patroness of the diocese, stand by him, illumining his path and protecting him at all times. And may the Church in the Andaman and Nicobar Islands, under the leadership of her new Shepherd, truly be what she is called and chosen to be - the light to the people, LUMEN GENTIUM.

Emeritus Bishop of Port Blair

## FROM THE HEART.....

### I re-dedicate myself and my service to God

I hail from a business family. It was a surprise for many when my parents allowed me to join the seminary in 1981. I was 15 years then, I entered the Minor seminary in Santhome, Chennai on 15th June 1981 for the Diocese of Madras-Mylapore. At that time I did not know what did that mean to be Diocesan or to be a religious. As years passed by, I realised that my call to Priesthood was meant for a Missionary Diocese. I was thinking of going to Africa if my family would allow. In 1987, when my Parish Priest, (Late) Rev. Fr. Kripakaran, suggested me to join the Diocese of Port Blair, I said "YES" spontaneously without knowing what I was saying. I believe that the spontaneous "Yes" at that moment, was not my decision, it was an inspiration by the Holy Spirit. Thanks to (Late) Most Rev. Casimir Ganadikam, the Archbishop of Madras - Mylapore, (Late) Rev. Fr. S.J. Antony Samy, my Spiritual director and (Late) Most Rev. Antony Devotta, in charge of Madras-Mylapore seminarians for encouraging me to follow my conscience. Thanks to Most Rev. Alex Dias for accepting me as a seminarian for the diocese of Port Blair.

I landed in Port Blair on 15th June, 1988. After landing I realised that I entered into a new world, where the people, language, culture, food habits, climate, etc., were all new and different. I think of that first year, what I had to undergo to adjust myself to the new world. It's an unexplainable mystery and God's Grace, that 33 years later, the Holy Father chooses me to be shepherd of the diocese, which I love.

During the period of formation, the seminarians need to have good formators. I thank God that I had excellent formators throughout my formation period from 1981-1994. In St. Thomas Minor seminary, Santhome, Chennai, I had the Diocesan fathers, in Sacred Heart Seminary, Poonamallee, Chennai, I had the Salesian and the Diocesan fathers, during my regency, I had the Pilar and Jesuit fathers, in St. Albert's College, Ranchi, Jharkhand, I had the Jesuits. I believe that the family is the first formation house for everyone, including priests and

religious. God gave me good parents, brothers, sister, sisters-in-law, nieces and nephews, grand-nieces/nephews, other relatives and friends. I am grateful to God for giving me such wonderful formators and family members. I am thankful to all of them who played a vital role in my years of formation.

Once ordained a priest, a priest needs an understanding and supportive Bishop, friendly presbyterium, good religious sisters and the cooperative Laity. I should thank God that I had always good people around me from the day I was ordained a priest on 8th May 1994. One of my formators, who later gave us retreat in the Diocese asked me this question: Visuvasam, are you a happy priest?" My spontaneous answer was "Yes". I pray that this "Yes" continues to be active till the end of my earthly life.

I acknowledge the great role played by my Bishop, Most Rev. Alex Dias in my life. He knew me through and through as a seminarian and as a priest. He had and still has great trust in me and I, in turn, had and have great respect and gratitude to him. The diocese and I, as his successor would ever remain grateful to him for his role in building up the diocese for over 34 years as a Bishop and earlier 5 years as a Priest.

I acknowledge the contributions of earlier missionaries, initially the Jesuits, then the Diocesan priests from the Archdiocese of Ranchi, the Pilar Fathers from 1965 to 1985, other religious priests and the diocesan priests. The role of the diocesan priests in a diocese is very important. I thank God that the diocese of Port Blair has a good bunch of young diocesan priests. I pray that more and more join this elite group of Diocesan Presbyterium and work towards the building of the Kingdom of God in this Missionary diocese.

I together with the diocese register our gratitude to three women religious congregations who began working in Andamans even before the Diocese was created. After the diocese was created, other women congregations joined in building up the diocese. May God

bless all sisters! May God bless all of them abundantly! I thank the Lord and pray for the repose of the souls of fathers and sisters who worked in the diocese and who now enjoy the Company of the Lord in heaven.

The contribution of the Laity is to be acknowledged and encouraged. The Lay participation in the Andaman and Nicobar islands is very much to be appreciated. All of us must encourage the Laity to continue to share in the Common priesthood of Christ in building up the Church in the Andaman. I wish that the Church in the Andaman becomes a 'Lay centred Mission' in the coming days.

In the past 27 years as a Priest of the Diocese, I was a party in the formulation of the many major decisions of the Diocese. I was also very much involved in the preparation and promulgation of the Diocesan Pastoral Policy, "Puts out into the Deep", in 2004 and its subsequent update in 2018 (which is waiting for the approval of the Ordinary of the Diocese). I shall continue to follow "the Great Tradition", set up by the Mission/ Diocese. However the Church in Andaman and Nicobar islands shall ever be ready to listen to call of the Holy Spirit in reading the signs of the time.

I like to convey my gratitude to the Holy Father and to the 'Congregation for Evangelisation of Peoples', for entrusting me with the new responsibility in the Diocese of Port Blair. I re-dedicate myself and my service to God, our Merciful Father, to Jesus, our Saviour and Loving Master, and to the Holy Spirit, our sanctifier. May Mother Mary, the Star of the Sea, the patroness of the diocese of Port Blair guide me and bless me. Trusting on God's providence, I assure every one of my dedication and whole-hearted service in my new Ministry. The announcement of my appointment was made on the 29th June, 2021, the day we celebrate the two great Pillars of the Church, St. Peter, and St. Paul. May their Vigour and Love for Christ guide me and my Mission!

In his recent letter, His Eminence Cardinal Luis

Antonio Gokim Tagle, the Prefect of Congregation for Evangelisation of People, exhorted me to fulfil the expectations of the Church as a Bishop of the Mission Diocese. I assure His Eminence and the others that I will dedicate my life to the Service of the Church, especially to the people entrusted to my care, with due diligence to the Gospel Values and to the Laws of the Church. In dedicating 2015 as the year of Consecrated Life, Holy Father Pope Francis expressed three aims: To remember the past with gratitude, to live the present passionately, and to embrace the future with hope. I wish and pray that these words of the Holy Father ring in my mind and in my heart every day while shepherding the Diocese.

I have chosen, "God Loves a Cheerful Giver" (2 Cor. 9:7b) as my Episcopal Motto. The meaning of my motto is: "Rooted in the Word of God I lift up my hand to the Triune God, to grant me the generosity to give myself to the People of God, entrusted to my care, under the guidance and protection of our Mother, Star of the Sea, like Jesus Who emptied Himself on the Cross through proclamation of the Word and the Celebration of Eucharist."

Throughout my priestly life, I have tried to be very close to the People and to the Presbyterium. I will continue to do the same in the future, so that the Church in the Andaman and Nicobar Islands, emanates the Light of Christ, "ad intra & ad extra". I pray that the Missionary spirit of the great Apostle St. Paul, whom I consider to be my Patron, be my spirit as well. I wish at the end of my life, here on earth, I may say with St. Paul, "I have fought the good fight, I have finished the race, I have kept the faith", (2Tim 4:7).

**My dear readers and diocesans of Port-Blair,**

I am immensely happy to share with you through this souvenir on the occasion of consecration of Bishop elect Msgr. Visuvasam Selvaraj. As a friend I have journeyed with him for past 40 years. I have admired the following qualities in Msgr. Visuvasam Selvaraj.

• **A man of simplicity and humility**

Many of us know that Fr. Selvaraj is from a hard working pious family. God has blessed his family with the decent economical status in the city of Chennai. But I haven't seen in Msgr. Selvaraj the attitude of rich and wealthy. Always he is simple in all walks of life. Moreover he is always humble without pride handling heavy responsibilities with humility.

• **A man of prayer and piety**

Even though we see Msgr. Selvaraj with the laptop and computers he always has time for his spiritual duties. Every day he used to get up early morning at 3'o clock, checks his correspondence and sits in prayer. Never misses daily Mass when he comes to Chennai whenever he visits me in my ministry place he was available to celebrate the Holy Mass.

• **A man of varied talents and experiences**

I have travelled with Msgr. Selvaraj to many places within the country and outside the country. It is amazing to see Msgr's clear planning and knowledge in all his undertakings. I must thank God for blessing Msgr with varied talents which he uses for the ministry and for the Church at large. Unassumingly he does everything without exaggeration and pride, always looks calm and serene.

• **A man of relationship**

He respects elders especially the formators and friends from his minor seminary onwards who have journeyed with him for past 40 years always shows much interest in reaching them and helping them in the time of need. Even though he is far away in the islands he contacts each one of his friends and keeps up his friendship. With the laity, religious and well wishers of the diocese he is very genuine and through his outgoing gestures he attracts them.

I feel great and fortunate at this moment to mention these qualities of appreciation of Msgr. Selvaraj.

May God bless him and guide him in this great shepherding responsibility!

Thanks to Jesus and praise to Mother Mary.

**Fr. Roche Chinnappa**

## God blessed us so greatly.....

God blessed us so greatly when He made Most Rev. Alex Dias, S.F.X., the first Bishop of Port Blair Diocese. We have been praying for Port Blair Diocese ever since the same See became vacant. Finally the Diocese of Port Blair has a Bishop. God blessed us immensely when the Holy Father appointed Rev. Visuvasam Selvaraj, of the clergy of Port Blair, as Bishop of the Diocese of Port Blair. On behalf of the Diocesan Clergy I wish to extend my hearty congratulations to the new Bishop, Most Rev. Visuvasam Selvaraj. Let us pray for the new Bishop that he may have God's Grace, good health and all the cooperation he will need to take care of the sheep of Jesus in this far-flung diocese. May the power of His hand support the new Bishop all the days of his life!

"I will give you shepherds after my own heart" (Jer.3:15). In these words from the prophet Jeremiah, God promises his people that he will never leave them without shepherds to gather them together and guide them: "I will set shepherds over them [my sheep] who will care for them, and they shall fear no more, nor be dismayed (Jer. 23.4). The Church, the People of God, constantly experiences the reality of this prophetic message and continues joyfully to thank God for it. She knows that Jesus Christ himself is the living, supreme and definitive fulfilment of God's promise: "I am the good shepherd" (Jn. 10:11). He, "the great shepherd of the sheep" (Heb. 13:20), entrusted to the apostles and their successors the ministry of shepherding God's flock (cf. Jn. 21:15ff.; 1 Pt. 5:2). (St. Pope John Paul II, Pastores Dabo Vobis: I Will Give You Shepherds,1).

We are a pilgrim people. May Our Guiding Star, Mother Mary, illumine our path. When we journey with God, we will always reach our destination. Let us journey together as Bishop and People of God. We need to walk hand in hand. When we walk hand in hand we become effective. It is necessary to walk hand in hand. We are a Catholic Community in Andaman & Nicobar Islands, made up of individuals and families who have discovered the joy of a rich shared life in Christ. We have experienced a call to serve the Lord together in the ordinary circumstances of our lives as a people. Our call is to know and love Christ and to make him known and loved by others. We belong to One Church. Unity in Diversity is needed very much. We have to march ahead. We must work together. We are members of one Local Church. We must respond to the call and needs of the local Church. We have to do more so that we become worthy Church of the Lord. Our dream: The New Church should be a Participatory Church. We have a vision statement in

our Diocesan Policy.

The Bishop accompanies his people not only in their spiritual journey but also in their daily life with all their struggles, joys, sorrows and preoccupations. The relation with the Bishop is the integral part of our life. Eucharist is not authentic without communion with the Bishop. Communion of open hearts and open minds is important to fulfil our priestly ministry. Our priesthood grows in this wider perspective. If there is communion with the people, priests and bishop then the Holy Spirit is working with us.

**Fr. Maria Benziger Gabriel**

Parish Priest, St. Francis of Assisi Catholic Church, Adajig.

## A Wish and a Prayer from My Heart!

It was time that we were given a Bishop for the diocese of Port Blair! Our prayers were heard by the Lord! And thus, our beloved Pope Francis appointed two Bishops for the Indian Church on the same day; for Tiruchirapalli and

Port Blair. The lot fell and the cross-bearing apostle elected and manifested for our diocese was Rev. Fr. Visuvasam Selvaraj! I thought, it was very symbolic that Pope chose to give these appointments on the 29th June 2021, the day the Universal Church marks the solemnity of Sts. Peter and Paul, the patron saints of Rome, the day when we commemorate the martyrdom of the two great stalwarts of Christianity, both of whom were killed for the sake of their faith.

On behalf of the Diocesan Clergy, I wish to offer my hearty congratulations to the new Bishop, Most Rev. Visuvasam Selvaraj. I am happy to call Bishop Selvaraj the first after Bishop Alex Dias to be the Shepherd of Port Blair as his successor in the same office.

Pope Francis who appointed our new Bishop has this desire for all the bishops in the world; and had expressed it while addressing the Bishops of United States of America on 24th September 2015.

Pope Francis' vision of a bishop calls for loving responsibility toward the local church. He encouraged the bishops to engage in practices that bear witness to Christ's love, particularly for those who are suffering. He went on to recognize the need for courage, self-criticism, trustworthiness, single-heartedness, joy, humility, creativity and "trusting union with Christ" in all bishops, and that they are to be sacraments and witnesses of God's generous love.

In the spirit of Vatican II, Pope Francis sought to advocate for dialogue as a method for Episcopal ministry. He called for compassion and warned against "harsh and divisive language." And finally, Pope Francis wants bishops to foster communion and act collegially. "Be pastors close to people," he said. "Be pastors who are neighbours and servants." In his reflection, Pope clearly defined the sort of bishops he hopes will serve the church, and he demonstrated a commitment to finding bishops whose style is pastoral and reflects a commitment to the poor (as read in the article written by Angela Senander).

I think it has always been a great challenge to be an apostle and, in our age, to be the apostle in any given diocese, the task needs to be taken seriously. The Apostle Paul urges the bishops of his time, which is applicable even today. "Be on guard for yourselves and for all the flock, among which the Holy Spirit has made you overseers, to shepherd the church of God which He purchased with His own blood....." (Acts 20:28-32)

For those of us who are called to collaborate with the bishop, as priests and lay faithful, the Word of God reminds us what we ought to do, in these words: "But we request of you, brethren, that you appreciate those who diligently labour among you, and have charge over you in the Lord and give you instruction, and that you esteem them very highly in love because of their work. Live in peace with one another." (1 Thessalonians 5:12-13)

Our prayer today for the new Bishop is that he may live by the Word of God, lifting his heart and hands to the Powerful God, the Father, the Son and the Holy Spirit, so that, he may be granted the willingness to offer himself fully for the people of God entrusted to his care. May his Episcopal ministry of teaching and preaching, as the first representative of Christ in our diocese, be always exemplary! God, as the source of all authority be his constant guide, that his service be ever directed by Christ the Lord, the sacrificing High Priest; the Shepherd always wanting to lay down his life for his sheep all in love and may he be under the sacred advocacy and influence of Holy Spirit throughout his ministry!

May our Patroness, Stella Maris, the Star of Sea, beloved heavenly Mother Mary, assist him with her powerful intercessions!

## "God is good all the time"

Truly God has been gracious to our Port Blair dioceses for blessing us with a gift of Bishop Selvaraj. Congratulations Fr Selvaraj and May God bless you abundantly. "Faith is not knowing what the future holds, but knowing who holds the future." May God take care of all your needs,

Touch your life with joy and contentment, Bless your heart with love and faith, Comfort your soul with gladness and inner peace and grant you good health and relief from the burdens of life. Remember God uses the broken things beautifully. Broken clouds pour rain. Broken soil set us fields. Broken crops yield seeds. Broken seeds give life to new plants. So when you feel that you are broken, be assured that God is planning to utilize you for something great.

God bless you!

### Psalm 95:1-5

*Oh come, let us sing to the LORD! Let us shout joyfully to the Rock of our salvation. Let us come before His presence with thanksgiving; let us shout joyfully to Him with psalms. For the LORD is the great God, and the great King above all gods. In His hand are the deep places of the earth' the heights of the hills are His also. The sea is His, for He made it; and His hands formed the dry land.*

## Felicitations

Salesians in this picturesque archipelago have the immense pleasure of felicitating the New Bishop of the Diocese of Port Blair Rt. Rev. Visuvasam Selvaraj. This small diocese of Port Blair has always had a focus on the missionary dimension as a heritage right from the inception. The former Bishop Rt. Rev. Alex Dias, had been a great shepherd, animating and governing this diocese with this focus till he stepped down a little over a couple of years ago. People of this diocese have been imploring the Lord to bless us with a new Bishop who knows his sheep well and be able to lead with great vision, enthusiasm and dynamism and above all with love and compassion that is modeled on the heart of the Good Shepherd. The news of the announcement that was broken on 29 June 2021, on the Feast of St. Peter and Paul brought great joy to the catholic Missionary Diocese of Port Blair. We Salesians also rejoice and thank God along with the people of this diocese.

We Salesians, by the way, dear friends, are at the 25th year of our presence in these Emerald Islands. We have been well received into this missionary diocese, as we ourselves are a missionary congregation of international repute. Our endeavours based on our charism have always been well supported in this Diocese. Therefore, at this juncture, we are delighted to be able to say a big thank you to the former bishop and his team and all the clergy and religious and the faithful at large.

Hereby, we should like to welcome the New Bishop, Rt. Rev. Visuvasam Selvaraj to our beloved diocese and felicitate him whole heartedly at his being chosen by God to be our Shepherd. We thank God for him. He is from one among the clergy of this beloved diocese and appointed by the Holy See to lead us. We Salesians are grateful to him for his support in the past and we look forward to his blessings and support in all our apostolic endeavours and his shepherding us in faith and morals.

We pledge our loyal support to him as the constitutions of the Society of St. Francis de Sales says: "The Salesian vocation places us entirely at the heart of the Church and puts us entirely at the service of her mission". With this in mind we Salesians at Lalpahad and at Ferrargunj, as a community, pledge to support the new shepherd in every possible way. We assure the bishop of our prayers for his wonderful ministry of leading this missionary diocese to greener pastures. We greet him all the best, while always seeking his apostolic blessings.

## Congratulations on this historical occasion!

Congratulations on the historical occasion of the consecration of Most Rev. Bishop Visuvasam Selvaraj, the long awaited Shepherd for the Diocese of Andaman & Nicobar Islands. Through this message we join the palmist 'to give thanks to the Lord for he is good for his love endures forever.' (Psalm 118:1)

First and foremost we would like to thank the Almighty God, for the blessings shown to us in a new Bishop for the Diocese; this is indeed a beautiful opportunity for the Claretian family to witness the significant moments of the Diocese.

We would like to recall the words of the present Holy Father Francis: "All the consecrated men and women he says, "Look at the past with gratitude, live the present with passion, and embrace the future with hope." Since long time we have been waiting and praying for a new Bishop in the Diocese and finally God has heard our prayer. I believe God has given such a wonderful personality to lead this Diocese in the time of pandemic and challenges. We also take this opportunity to congratulate and pray for him that God be with him to support his entire endeavour for this Diocese.

We Claretian family recall on record the sincere thanks to all for your co-operation and collaboration with us. Your affectionate brotherhood is felt much in our Missionary journey in Betapur Parish. May the good Lord shower His graces upon you as newly consecrated Bishop and good shepherd of the beautiful vineyard of the Andaman & Nicobar Islands.

Walk forth on the Charismatic path trod by our former Emeritus Bishop Aleixo Dias SFX. I wish you and your further journey to "Our beloved Lady, Star of the Sea", the patron saint of the Diocese may intercede always.

God Bless You!

## "Behold, I will do a new thing." - Isaiah 43:19

We are eternally grateful to God for all the blessings he has bestowed upon the Andaman and Nicobar Islands. Ever since the vacancy of Bishop Most Rev. Alex Dias, we like a flock of sheep, have been longing for our Shepherd, especially during these times of trial, when it is easy to go astray. The Lord Almighty kept his promise to us, when he blessed us with a new Bishop, Most Rev. Visuvasam Selvaraj. By doing this, the Lord has assigned an important duty to "tend my sheep" (John 21:16) as our beloved Bishop, receives his staff to lead a new people, into the narrow gates of the Lord's Kingdom. In this mission, of His Grace, let us all join hands, to make a better community, and to live life that pleases our Heavenly Father. Further, I being the President of Andaman and Nicobar Catholic Association, on behalf of the entire Andaman and Nicobar Islands, extend my hearty welcome to the new Bishop, as I congratulate him, on his novel endeavour. I promise to extend my absolute support, to help you in the development of our catholic community, in all fields. I also ask our Mother, Blessed Virgin Mary, to intercede for us, on our mission. I wish you the very best, dear Father, and may God bless you abundantly!
